New Web Site Features Historical Data Tracing NASA's 40 Years

Employees interested in gathering historical data about NASA's 40th anniversary have a brand-new information source at their fingertips. The History Office at NASA headquarters has published a special page on the World Wide Web entitled "Celebrating NASA's 40th Anniversary 1958-1998." The site offers links to publications, photographs, documents, biographies and other NASA history-related sites, and may be found at:
